PRECONTRACT APPROVAL RECORD  
(PART TWO)

CONTRACT

IK-4666

The services and equipment being procured by this Contract No. \_\_\_\_\_ are in furtherance of the \_\_\_\_\_ LANYARD Program(s), the nature of which cannot be publicly disclosed for security reasons. The Contracting Officer therefore determines that this procurement must be accomplished by negotiations pursuant to the authority of Section 3(a) of PL 81-110 and Class Determination and Finding, OXC 2122, signed by the DDCI on 15 October 1961.

Certification of funds for this contract will be handled under the procedure approved by the Director of Central Intelligence on 15 December 1956 which, in effect, results in all covert expenses involving issuance of Treasury Checks being accumulated in a separate account within the Finance Division. The amounts in this account will be periodically scheduled for certification of the vouchers by the Director. This procedure eliminates the necessity for a separate certification of authority under Section 8(b) of Public Law 110, 81st Congress (formerly 10(b) - see 85-507 dated 7/7/58) for each contract.

The following comments describe the procurement hereby effected, the terms and provisions generally of this contract/amendment, and a resume of major issues negotiated:

This Amendment No. 2 is the final settlement agreement for Contract IK-4666. All necessary documentation supporting the final settlement of this contract is contained in the termination folder. This includes the

Audit Report  
Statement of Disposition of Property  
Statement of the Technical Representative  
Final Release  
Final Invoice  
Reconciliation of Costs  
Contractor's Patent Report

Contract IK-4666 for the LANYARD program was terminated in its entirety in October 1963 at the direction of DNRO and with Headquarters concurrence. Upon final payment this contract is closed.
